

FOR TWENTY YEARS

We have been studying wool and dye stuff and workmanship as applied to clothing. It has taught us how to buy. We always get the worth of our money so we can always give you the worth of yours. Many an honest dealer has to charge you more than we do, because he pays too much himself. Ignorance is less provoking than dishonesty, but it costs you just as much. Need we point the moral? When you come to us you get the benefit of

WHAT WE KNOW.

Our stock of Men's Suits are the best we have had in years. We can fit any size or shape as we always keep in stock Leans, Stouts and Regulars. Prices ranging from \$5 to \$25. New style long frocks and double breasted sacks a leading feature with us this season.

RINGOLD'S Coarse-Fine Boots are the best made, strictly waterproof, the leather always remaining pliable. They will outwear two pair ordinary boots. If you want to keep your feet dry this winter try a pair.

We do not handle Ladies or Children's shoes but we have as good line of Men's Shoes as can be found anywhere and at lower prices than regular Shoe Houses ask for the same quality.

To appreciate our \$10 OVERCOATS you must see them—examine them. They should not be confounded with the ordinary lot of coats flooding this market usually sold for the same price, but will compare favorably with coats you have been paying \$15 and \$18 for.

Boys and Children's reliable Suits and Overcoats in great variety at prices to suit the times.

We carry the most complete stock of John B. Stetson's Hats in this State. All sizes and shades in the best quality can always be found on our shelves.

Persons wearing Dr. Jarvas' Hygienic Underwear can find them in our store. We are their agents for Mt. Sterling and sell them at New York Prices.

LEXINGTON FOUNDRY CO.

Patented Improvements Proving Great Successes and Drawing Large Orders.

The work of the Lexington Foundry Co. is gaining prestige all over the country and many of its patents have proved so successful in actual use as to make the company all

A letter was received Saturday from one of the largest jobbing houses in Baltimore wanting the Foundry Company to make 8,000 stoves with a privilege of 15,000, which should be built with Secretary J. M. Kelly's patent steel oven and giving the firm the exclusive right of making sales in Maryland, Virginia, North and South Carolina.

The demand for stoves made by the Lexington Foundry Company under their patents, extends already from New England to New Orleans, and as far West as Salt Lake City. The success of this company shows that can be accomplished by manufacturing enterprises in this city under competent management.—Leader.

Capt. Punch After a Good Thing.

Patrick Punch, of Mt. Sterling, Deputy United States Marshal, is in the city. He brought with him two boys convicted in the United States Court at Covington of passing counterfeit money, and had them placed in the Reform School in the District of Columbia. This afternoon Deputy Marshal Punch, in company with Representative Lisle, called on Commissioner Miller and filed an application for the position of Deputy Collector of Internal Revenue. Punch is well indorsed.—Leader. Journal Washington Correspondence.

Croup is a terror to young mothers. To post them concerning the first symptoms and treatment is the object of this item. The first indication of croup is hoarseness. In a child who is subject to croup it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar, rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse or even after the rough cough has appeared it will prevent the attack. It has never been known to fail. 25 and 50 cent bottles for sale by R. C. Lloyd, "City Drug Store." 48-1m
